Report of Principal and School Improvement Council

Old Pointe serves around 600 students from four-year-old kindergarten to fifth grade. We are a Palmetto Gold and Silver Award winning school with a focus on service to our community and our world. At Old Pointe, you'll very quickly see that our students are at the forefront of everything we do. We believe in nurturing the whole child in addition to our rigorous academic program. Our students participate in numerous service groups, teacher-led enrichment clubs, top-notch art, music, and physical education programs, and have daily access to today's technologies.

We recognize the importance of giving back and developing the compassion for helping others in our students. We expect our students to take an active role in their school community as well as where they live. Students serve on various clubs and committees such as Safety Patrol, Student Council, Panther Pals, Green Team, Bus Patrol, Fellowship of Christian Athletes, and many others. Within these clubs, students are held responsible for assisting with the inner-workings of our school. The overall effect is a greater appreciation and sense of ownership of their school. As a student-body, our students have raised over \$6,000 for local charity organizations in the area.

We understand that there is so much more to your child than how he or she performs on a state-mandated test. It is our responsibility to cater to his or her needs and interests. Our goal with each of our students is balance. We want them to excel at academics as well as whatever interests they may have.

Our high quality faculty has their own educational achievements to be proud of. Several teachers earned advanced degrees in the field of education. Our teachers and staff have written and received over \$10,000 in grants during the '12-'13 school year.

The success of any school requires the support of an active PTO, SIC, faithful volunteers, and generous business partners. Our PTO and SIC focused efforts to improve school grounds, address traffic safety issues, decrease childhood obesity, advocacy, awareness, and enhance family involvement. This year's PTO sponsored many events and raised funds for teacher grants. Our second Annual Pace Race was a huge success. Proceeds will be used to implement phase one of a school walking trail. A very active School Improvement Council and Parent Teacher Organization, along with the faculty and staff, offer feedback in our ongoing self-evaluation and biannual update of the School Improvement Plan. The strategic goals of this plan are aligned with the school district goals and include increased student achievement, building a nurturing environment, engaging stakeholders, providing resources to support learning, ensuring a safe and healthy environment, and effective communication.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.
